- 1) His/her own country
- 2) Himself/herself and own family

1-04. To maintain social order ...

- 1) There should be a clear distinction between the top and the bottom
- 2) People cannot be divided into the top and the bottom, and there should be just division of labor among people

1-05. If I were an employer or a head of a workplace ...

- 1) I would hire someone who is submissive to superiors, even if he/she is less responsible
- 2) I would hire someone who performs his/her job well, even if he/she is sometimes arrogant toward superiors

1-06. If a thought of someone I respect is clearly wrong ...

- 1) Agreeing with it or overlooking it is the right way to react.
- 2) Politely pointing out what is wrong in his/her thought is the right way to react.

1-07. A person with an extraordinary ability may be considered arrogant; if his/her ability is demonstrated too frequently. However, if he/she hides the ability, no one will recognize his/her ability. What do you think he/she should do in this case?

- 1) Modestly hide the ability
- 2) Expose the ability

1-08. To happily get together with others for a long time ...

- 1) One should silence any complaint and endure it
- 2) One should complain if there is any, and ask for correction

- 1-09. Struggle for survival tends to eliminate those who fall behind, and ...
1) It is a natural consequence and eventually good for the society
2) It is a sad thing and there is a need for helping out those who fall behind
- 1-10. Wisdom of life today is...
1) Taking time in doing your job, because there is always tomorrow
2) Rushing into finishing your job, as if there is no tomorrow
- 1-11. When we meet foreigners, ...
1) We should treat them more kindly than we treat other Koreans, because they are our guests
2) We should treat them just like we treat other Koreans, or treat them less kindly
- 1-12. When we meet people we have never met before, ...
1) It is better to treat them kindly
2) It is better to treat them with caution
- 1-13. If you have to throw away one among your past, present, and future, which one would you throw away?
1) I would throw away the future, and keep the past and the present
2) I would throw away the past, and keep the present and the future
- 1-14. Traditional cultures ...
1) Are the key to overcome today's crisis of civilization
2) Only belong to the past world and are not helpful for saving today's civilization
- 1-15. If I have to choose just one between the following two, ...
1) Enjoying the present moment is more important
2) Preparing for the future is more important
- 1-16. In today's world, ...
1) Married women should go out to be socially active, just like men do
2) Even though life gets busier than before, I think home is still the place where women should be
- 1-17. After a woman gets married...
1) She should devote herself to husband's family and break the contact with her own parents' family as much as possible
2) She should serve her husband's family, but does not have to serve them more faithfully than she does her parents' family
- 1-18. An unmarried woman...
1) Should keep her virginity until getting married
2) Does not have to keep her virginity until getting married
- 1-19. Money is...
1) Something good to have, but is something good not to have as well
2) Something you must have and you cannot live without

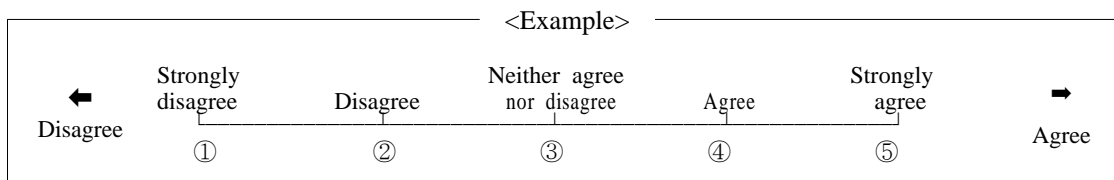

1-20. Living your life well means...

- 1) Living free of mistakes and righteously
- 2) Living affluently even if some mistakes are made

1-21. Regardless of the amount of income,

- 1) There are noble jobs and humble jobs
- 2) There are no such things like noble jobs or humble jobs

Q2. Please indicate how much you agree or disagree with each of the following statements by selecting one number on the scale of 1 (strongly disagree) to 5 (strongly agree) that is closest to your thought. All you have to do is to write a number from 1 to 5 in parenthesis next to each statement. Getting smaller than 4 at the center means the degree of disagreement becomes more intensified. Please assume that psychological distance between each number is the same.

2-01. If we can get rid of all shameless rowdies and beggars, most problems of our society will be resolved ()

2-02. If you treat those who are lower than you in hierarchy too friendly, they will look down on you ()

2-03. For work efficiency, we need strict control and order ()

2-04. It is disgusting to see women smoking and drinking alcohol ()

2-05. No matter how many children you may have, you should have at least one son ()

2-06. It is of no use to nicely treat a person who is originally bad ()

2-07. Solving problems through people you know well is a quicker and wiser way than solving problems based on law ()

2-08. People who break the law are bound to be punished by the law ()

2-09. You should be always careful because most people act primarily based on their own interests ()

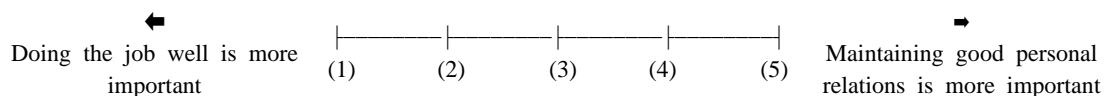

2-10. Even if you know that one of your close relatives committed a crime serious enough to put him/her in jail, you may not be able to turn in your close relative ()

2-11. Most people can be trusted ()

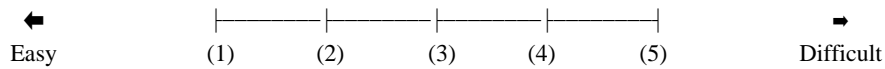

- 2-12. In most cases, playing by the rules will rather put you in a disadvantaged situation ()
- 2-13. In general, social elites behave well enough to be role models ()
- 2-14. Long-term policies announced by the government are generally reliable ()
- 2-15. People who achieved social success did so through fair competition ()
- 2-16. When I buy things, I am always cautious to avoid overpaying ()
- 2-17. In general, people do not report tax honestly ()
- 2-18. Public order is maintained by strict law enforcement, rather than by appealing to the conscience ()
- 2-19. In elementary and middle schools, most students are fairly treated ()
- 2-20. Korea is a tough society for honest people to live ()
- 2-21. Even if it is an expert's opinion, I would not trust it fully unless I personally know that expert ()
- 2-22. I get a feeling that only those with particular social backgrounds lead the local community ()
- 2-23. In my community, I feel alienated from the things around me ()
- 2-24. I actively participate in the community, whenever it needs my ability ()
- 2-25. Compared to other regions, this place has been harshly discriminated by the national government ()

Q3. Between the two options in each of the following questions, which one is closest to your opinion? A smaller number on the scale means your opinion is closer to the left-hand side of the options, and a larger number means that your opinion is closer to the right-hand side of the options. Please select the number that you think best represents your opinion and write it in the square next to each question. Please assume that psychological distance between each number is the same.

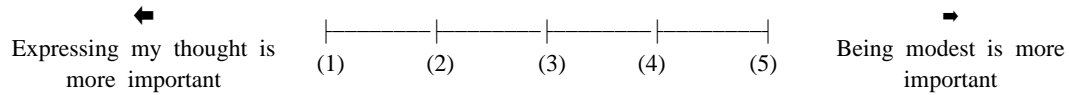

3-01. Between work and personal relations...

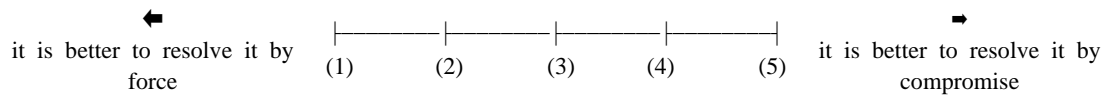

3-02. When a person who is in a higher position has a different opinion from mine, presenting a different opinion is...

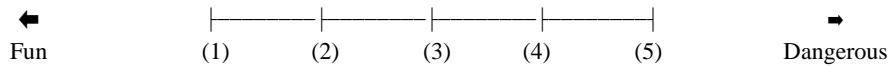

3-03. Between expressing my thought and being modest...

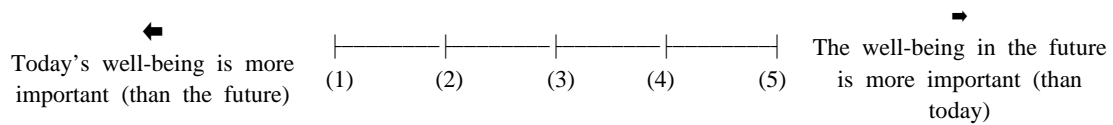

3-04. When there is a conflict...

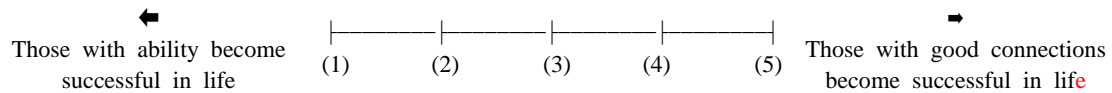

3-05. Something new is...

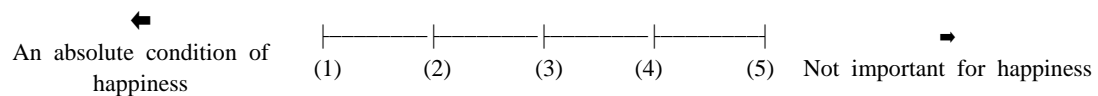

3-06. Between today's well-being and the well-being in the future ...

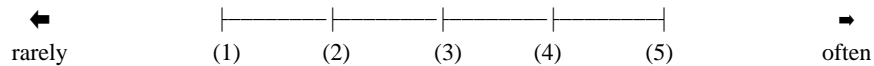

3-07. When people become successful in life...

3-08. Money is...

3-09. I (.....) point out mistakes of a person who is in a higher position than I am

3-10. When someone tries to start arguing with me...

←
I try to avoid confrontation
as much as possible

(1) (2) (3) (4) (5)

→
I try to prove that I am
strong, even if it takes
confrontation
