

ID Number	A1-CUM-0001-Eng
Title	End of Year Poll, 2003-2008 [Cumulative Data]

The 「End of the Year Poll」 is a survey conducted by the 60 global institutions of Gallup International at the end of each year among the citizens of each country forecasting the upcoming year. Since 1979 Gallup Korea has collected data each December from 1,500 citizens through individual interviews conducted by visiting each household using an identical questionnaire.

<Notice>

This questionnaire was reconstructed by KOSSDA based on the codebook.
