Survey for the International Marriage Family (For Foreign Husband)

How are you?

The Gyeonggido Family and Women Development Institute(GFWDI) was founded with the full financial support of Gyeonggi Province to develop policies regarding gender and family issues and to train public officials and social leaders to promote their consciousness of gender equality.

We are doing this survey to understand the needs of the welfare and living conditions of intercultural couples living in Gyeonggi Province. The purpose of this research is to develop government policies that would help intercultural marriage family. All the information you provide us will be treated confidentially and will be used only for the statistical analysis. Although the questionnaire is lengthy, please try to answer all the questions; it may take about 30~40 minutes to complete. We would greatly appreciate your time and effort. Thank you.
