Table 1649 Estimate on the income of the people in R's occupation

[Questionnaire] I would like to know what you think people in these jobs actually earn. Please write how much you think they usually earn each month before taxes. Many people are not exactly sure about this. Your best guess will be close enough. This may be difficult, but it is very important. So please try. (ASK ALL QUESTIONS ABOUT ACTUAL INCOME OF THE FOLLOWING OCCUPATIONS, THEN ASK Q.86.)... People in your occupation (If not working now, please tell about your last occupation) I have never worked... ()

Table 2142 Opinion on public security and government information access

[Questionnaire] Here is a scale from 0 to 10 where 0 is "all government information should be publicly available even if this meant a risk to public security" and 10 is "public security should be given priority, even if this meant limiting access to government information". Where would you place yourself on such a scale?
